	MATCH 8 Foreman/ T Miles v Bowler/Vickers				

CHAMPIONS

Notes

1. Matches must be played before or on the play-by date for each round
2. For each round the first named pair in each box must offer to the second named pair in the same box at least three dates to play the match.
3. In the event that these dates are not mutually convenient both pairs must identify and agree an alternative date before or on the play-by date.
4. If no date can be agreed the first pair, with the agreement of the second pair, must approach the Seniors Competitions Manager either to claim the match or to request a discretionary extension to the play-by date. If there is a disagreement over the situation the second pair also must approach the Seniors Competitions Manager either to claim the match or to request a discretionary extension to the play-by date.
5. The Seniors Competitions Manager is the only person who has the authority to grant discretionary extension to the play-by dates.
