

## **Leicestershire & Rutland Golf Limited**

### **ANNUAL GENERAL MEETING 2020**

#### **UPDATED OPERATIONAL PROCEDURES DOCUMENT**

The governance of the Leicestershire and Rutland Golf Union is through its Articles of Association and its Operational Procedures Document. This year, the latter has had a rewrite with substantial changes to its individual sections. In order that delegates can make comparisons, the previous document (Version 7) is attached as Appendix 1 and the revised version (Version 8) is attached as Appendix 2.

It is important that the County Union reviews its governance documents regularly, especially now that it is a limited company. In future, the two key documents will be reviewed every alternate year. So, in 2021, the Articles of Association will be revised followed by the Operational Procedures again in 2022.

#### **RECOMMENDATION**

That the updated Operational Procedures document be approved.
